

**Northville Christian School
Preschool Placement Agreement**

Northville Christian preschool is responsible to provide safe nurturing care to every child in our care.

Our Childcare program will provide daily activities and relationships that will offer opportunities for developmental growth in the following areas:

1. Physical development, including large and small muscle.
2. Social development, including communications skills.
3. Emotional development, including positive self-concept.
4. We will provide games, physical activities both inside and outside the building, creative arts activities, and reading.
5. The parents may visit or observe their child at anytime.

Discipline

1. Our staff will use developmentally appropriate positive methods of discipline, which encourages self-control, self-direction, and cooperation.
2. The staff will use a “time out” or restrict a game if discipline is necessary.
3. Staff will never use physical force, harsh words or restrict emotional or physical needs
4. Staff will inform the parent of their child’s misbehavior and together develop a plan of intervention.

Attendance/Payment

1. We will be available to care for your child during scheduled days of care, unless the weather or damage to the building prohibits us from safely opening. *Watch television news for possible closings.*
2. We will close if a communicable disease afflicts a high percentage of the staff or children.
3. Parents must call us when their child is absent.

Health

1. Children who are ill or running a temperature should not attend school. They may return to preschool when they have been fever free for 24 hours without fever reduction medication.
2. Parents must complete an emergency health card and a medication release form.

Parent’s Responsibility

1. Any adult in contact with the children must pass our screening process.
2. Children will only be released into the care of an adult who has previous written permission.
3. Parents and staff will resolve issues in a responsible manner.
4. Parents agree to read the childcare handbook. Suggestions are welcomed.

Thank your for entrusting your child’s to our ministry,

Ken Storey
NCS Principal
